## THE STRATHMORE DISTRICT SCHOOL FAIR

Once again this major event in the year for the Schools of the Strathmore District, has been held with the conviction increasingly impressed that it is eminently worth while.

The work exhibited in the main hall was equally good on the whole and in one or two instances exceeded that of last year. A new feature was shown in the Current Event Posters.

The Fair was necessarily postponed about one month because of an outbreak of measles and owing to this later date, there were no flowers exhibited and the showing of vegetables was about one third that of previous years. The quality of vegetables however was excellent.

The various sports were well carried through. The feature which attracted very especial interest, however, were the Enterprise Exhibits, which were on display in the Public School. These were exceedingly well executed, and each showed an attention to detail that is commendable. That the interest of the pupils is aroused by developing these, and that it will develop along other lines is certain and is all to the good in developing a working imagination.

## VERY EFFECTIVE TOWN IMPROVEMENT

What of the unkempt windows of "winter-year"? They have given place to artistically dressed windows of brass and gold paper fringes, long round tubes of paper that only a master hand could turn and fettle of paper in the same color scheme, to

terminating posters and cards proclaiming Canada, Lily Ginger, Ale, Yeast, Magic Baking Powder, Cadbury and Fry's Chocolates, Cocoa and other delicacies, by which the palate of man is pleased.

This window decorating giving so pleasing a change is the work of Roy Wright of the Fry Cadbury Firm of Calgary. The other windows, devised and executed by Mr. McMurray and Carl Brown, tend in mute but striking order of the industries, the products, the pleasure resorts, noted interesting places, various sports, education by travel, means of transportation, etc.

Entering the first is an exact replica in picture of the E. P. Ranch at Fuisika. In the foreground is a grassy lawn around which are placed perfectly made stumps of Marquis wheat, Thatcher wheat, Red Bone, wheat, Western Tye grass, millet, timothy, bromus grass, white oats, two and six row barley and short red top, with a large sheaf of flax of perfect form and color occupying the centre.

Other tables showing the grain harvest, 5 specimens of ore, about 15 various specimens of Canadian woods, polished, a book of sand stone and above 8 stumpy cans and 2 well fed sheep showing the sort of stock Alberta can produce.

The opposite window is centred with a beautiful picture of Alberta's World renowned Gem of Nature, Lake Louise. Descriptive words of this marvel of beauty are futile. Surrounding this window are 15 various specimens of Canadian woods, polished, a book of sand stone and above 8 stumpy cans and 2 well fed sheep showing the sort of stock Alberta can produce.

To Mr. Wright of Fry Cadbury and to Mr. McMurray and his assistant Carl Brown the citizens of Strathmore offer their appreciation. There have been many kindly compliments paid them.

Carragee bridges are growing over night and when in leaf next August will give a much improved effect.

All hail to the Town Planning Commission. May their power be strengthened.

We understand the Calgary Power Co. is considering installing a light, by which the citizens of Strathmore might see at night as well as day.

**TOWN COUNCIL**—A meeting of the Town Council was held on Tuesday evening with the attendance, Mayor Hughes in the chair.

It was decided to leave to Stanley Kerek the Red and White Store for the purpose of carrying on his Messy-Harris agency.

An order from the Board of Public Utility Commissioners in connection with the purchase of rubber stamps, a reduction in taxes for his property, was submitted. Mr. Black has been allowed a considerable reduction in taxes.

Auditors statement for the last nine months was also submitted.

It was agreed to sell to Hughes Motors, for the expansion of their business, two lots adjoining their garage.

**RUBBER DOLLARS**—How often have you and friend wondered how "The Joneses" seemed to do so much on their incomes? From remarks dropped by them you would almost certainly say as much as he. You've seen certain you and your wife are not extravagant or wasteful. Yet the Joneses do little things you can't spare the money for. How come?

The truth is that the Joneses have a secret. They have discovered a way of putting rubber into dollars. Through the knowledge of this secret they have learned that a dollar can be stretched beyond its ordinary buying limits.

What is the secret? They read the advertisements.

In the advertisements in this paper, reliable merchants and manufacturers offer you the best values. Before going to the stores to buy, shop here first. Compare prices until you have pleased your purse. You'll save endless hours and weary walkings, and you'll buy with the comforting assurance that every dollar has done its duty.

Encouraging proof of business development is shown by the decision of Hughes Motors to considerably increase the size of their Motor Show rooms, garage and offices.

An up to date, well lighted, and modern building with waiting rooms, a large steam heating plant are to be features of the new structure.

Larger accommodation for more cars and farm implements is a part of the plan. Mr. S. H. Little is the contractor in charge, an able first loads of gravel have already been laid.

Encouraging Mayor Hughes on his business enterprise and hope this will be a forerunner to further development in Strathmore.

**SORORIS SOCIETY ENTERTAIN AT FAREWELL BRIDGE**—Mrs. A. D. Strathmore's home was the attractive setting for the Bridge Party arranged by the Sorosis Society in honor of Miss Brown, who has been the efficient Treasurer for a number of years, and for Mrs. S. Labin who has been a helpful member of the Society.

Six tables were in play and some keen games enjoyed.

Winners of high and low scores were Mrs. M. White and Mrs. Nichol.

Following delicious refreshments the President Mrs. Nichol on behalf of the members presented Miss Brown with a fine walnut magazine table, and to Mrs. Labin, a pretty China table, accompanied by the good wishes for a happy future for both ladies.

## TUDOR

Reception at Tudor Hall in Honor  
of Mr and Mrs C. E. Drury

The people of Tudor have had many  
notable gatherings in their Community  
Hall, but the event that took  
place on Saturday, Oct. 23rd was the  
outstanding one of the year.

The occasion was the reception  
given by Mr and Mrs H. A. Ruppe of  
Strathmore, in honor of their daughter  
Marion Bernice, whose recent  
marriage in Portland, Oregon, was a  
news item in both Canadian and U. S.  
newspapers.

The community hall were its festive  
roles for the formal welcome, being  
tastefully decorated with chrys-  
santhemums, ferns and spruce.

A large fern on a pedestal formed the  
motif for the centre background and  
other ferns were placed to support  
and accent this main idea. Sprays  
of cedar spruce gave charm  
and dignity to the walls while clusters  
of variegated balloons and streamers  
were placed intermittently down the  
arch of the main hall. The effect was  
essentially one of restrained gaiety.

Receiving the guests were the  
bride and groom, Mr and Mrs Charles  
Drury, and Mr and Mrs H. A. Ruppe,  
parents of the bride.

Friends attended from Calgary,  
Strathmore, Standard, Rockyford,  
Rosbeek, Burnside, Ingleton and Tabor.

The evening was spent in dancing.  
At midnight Mr Emil Cammaret, as  
master of ceremonies, introduced Mr  
H. E. Caniff of Calgary, who in turn  
presented Mr and Mrs Drury.

Mr Caniff delighted the audience  
with his humorous allusions. By that  
time, the happy spirit of good fellow-  
ship had penetrated even to the drap-  
eries. The ferns trailed benignly,  
the spruce shed its accumulated anima-  
tion; the balloons radiated glimmerous-  
ly and the streamers swayed gently  
in tune with the rhythm of a happy  
dance.

As the young bride stood to ad-  
dress the gathering, capable and  
courageous, happy and beautiful, the  
good wishes of her many friends

could be felt. Mr Drury, too, spoke  
sincerely and unaffectedly. We shall  
all follow their career with interest  
and hope that the auspicious begin-  
ning is a prelude to an equally happy  
and prosperous life together.

Mrs Ruppe was ably assisted in the  
many necessary details by Mrs W. O.  
Brown, Mrs Cammaret and several  
other ladies of Tudor.

## CARSELAND

The P. H. Club which has already  
been postponed twice this month will  
meet Wednesday, October 27th at  
the home of Mrs Melendy.

At the regular meeting of the Lad-  
ies Aid held last Thursday at the  
home of Mrs Crowe, final plans were  
made for the chicken supper to be  
held November 3rd. There were over  
20 members and guests present, so  
quite a number of jobs were gather-  
ed for the parcel post.

**TENS** of thousands of Canadian farms and homes benefit from first mortgage loans made possible by the accumulated savings of Life Insurance policyholders.

For every borrower, there are six thrifty people who supply the necessary funds.

This fact affords a striking illustration of the "double duty" performed by Life Insurance dollars. Not only do they ensure financial security for the men, women and children of Canada, but they also help to build and finance their farms and homes.

Life Insurance companies exercise the greatest care in the selection of properties upon which mortgage loans are made. To safeguard the savings of policyholders, security of principal and interest is and must always be the first consideration.

### ARE WE IN TOO MUCH OF A HURRY?

(Howard Vincent O'Brien)

Looking back on vacation days and trying to discover what they taught me, if anything, I come to the conclusion that I learned most from a chance remark on a Michigan farm. The approach to the owner's home was through a magnificent forest of pine trees. This forest, I learned, had been planted only 12 years ago. The trees were hardly visible for a couple of years, said the farmer. The first season you could hold a whole acre of timber in a single hand. This brought home to me those lines of Shakespeare:

Our doubts are traitors  
And make us lose the good we oft might win.  
By fearing to attempt.  
And how much we lose by being in too much of a hurry? We insist on immediate results; and if we can't have them immediately we too often don't have them at all.

### BOARD OF HEALTH

A meeting of the Board of Health was held Tuesday evening. The Mayor, Messrs. Guitin, Wright and Gannon and Dr. Giffen, M. H. O., attended.

The meeting was called for the purpose of considering a report by Mr. Butterfield, health inspector, dealing mainly with the dairy situation in Town. Orders of the health inspector will have to be carried out, and the Secretary was instructed accordingly.

## NAMAKA

On Thursday evening of last week the C. G. L. T. Girls held a Monopoly party in the Namaka School. Although the crowd was not as large as anticipated a creditable sum was added to the Christmas Fund. Home made candy was sold from a prettily decorated table. Mr. Paul Miller was the winner of the monopoly prize. After the game, lunch was served by the girls.

Mr. P. Dickson returned last week from Ontario where he visited at Niagara Falls, Waterloo, Kitchener, and several other towns. Mr. Dickson is quite impressed with that country in general.

Several of the Ladies motored to Calgary to view the Handicraft work on display at the Hudson Bay Store last week.

Mr. and Mrs. Jones and family of Calgary spent Sunday at the home of Mr. and Mrs. E. C. Watts.

Threshing is again in full swing and if the weather continues will be completed in a week or 10 days.

## WEDDINGS

### FRASER - VAN DER VELDE

The home of Mr and Mrs Martin Van Der Velde of Dalenwood was the scene of a pretty wedding, Wednesday, October 20th at 2 p.m. when Janet May, daughter of Mr and Mrs Daniel Fraser of Strathmore became the bride of Gerald Andrew, son of Mr and Mrs Martin Van Der Velde. Rev. McKelvie of Carleton officiating.

The bride entered the room on the arm of her father looking very lovely in a floor length dress of white satin and lace, with a full length, emerald-colored veil and carrying a bouquet of pink carnation and rose buds. The Wedding March was played by Miss Helen Van Der Velde.

The pretty bridesmaid, Miss Marjorie Van Der Velde wore a floor length dress of rose crepe with a corsage of pink carnations.

The groom was supported by Mr. William Fraser, brother of the bride. During the signing of the register Mrs. Robert Chalmers sang, "I Love You Truly," with Miss Helen Van Der Velde at the piano.

Immediately following the ceremony a reception was held for the immediate family of the happy couple and a few intimate friends.

The happy couple left later for a week's honeymoon at Banff, the bride travelling in a tan suit with nigger brown and rust accessories under a nigger brown top coat.

On their return Mr and Mrs Van Der Velde will reside on the groom's farm near Dalenwood.
